TRADE LIST

In-The-Red ISSUE NO. 2

**Printed in Red ink on wrapping paper
and priced in keeping with conditions.**

**(This issue is in RED throughout. We missed
our guess last fall when the cover only was
printed in red. Because of the prices we are
now forced to make, ALL RED is the proper
color scheme!)**

CHASE NURSERY CO.
CHASE, ALABAMA

**NOTE: This cover is of our regular KRAFT Box
Lining Paper. In 60 pound rolls; 30, 36
or 40 inches wide. At 4 1/2c per pound
f. o. b. Chase, it is the best buy we know of.**

TO THE TRADE:

What list shows our available credit for immediate or later shipment. Some items are running low, and it would be well to get your order in with reasonable promptness.

REPAIRS: See our wall catalogue for Plans and Specifications on Sales. We allow 10% discount for cash and order. C. O. D. orders must be accompanied by cash.

In case you did not receive, or did not prefer a new wall catalogue, a copy will be mailed on request. We include descriptive names and exact dimensions in value. We have the complete line of independent supplies—brake lining, drumming shoes, linings, wheel spacers, cylinder pins, brake parts, etc. We should be in your best interests and refer you early.

Regardless of the low price list, the quality is held constant to our old-time standard.
